Subject: Warkworth and the Draft Amendment to Mining SEPP
Date: Friday, 4 September 2015 8:36:18 PM

Dear Planning Assessment Commission,

What is the government thinking???? No mines, no jobs, no hope!!! Hundreds of hard working men/women, supporting families and contributing to the community will be forced to relocate. Show some common sense and make a speedy decision!!!!! Australian lives are hanging in the balance while the pencil pushers break for morning tea.

Yours sincerely,
sophie fritsch
