Subject: Warkworth and the Draft Amendment to Mining SEPP
Date: Friday, 4 September 2015 10:37:47 AM

Dear Planning Assessment Commission,

Please don't abandon the workers at these mines. If the extension is not approved for MTWW then they will put the mine in care and maintenance. This will have catastrophic impact to the Hunter and its residents. Please approve and keep people in a job. If it closes all that will happen is people will loose there homes and join the unemployment queues. Dont destroy a community that is already going through massive hardship.

Yours sincerely,
Sheree Hammond
