MEETING NOTE

Meeting with Liverpool City Council	
Date: 18 May 2017	**Time:** 12.00pm
Project: Edmondson Park South MOD 3	
Meeting place: Liverpool City Council, 33 Moore Street, Liverpool	
Attendees: Commission Members: John Hann (Chair) and David Johnson. Commission Secretariat: David Koppers (Team Leader), Matthew Todd-Jones (Planning Officer). Liverpool City Council: Barry Millwood (Strategic Planning Coordinator), Masood Hasan.	
The purpose of the meeting was to discuss the Council's views on the Edmondson Park South MOD 3.	
The following issues were discussed: 1. <u>Council's objections to proponent's proposed remediation strategy</u> • Council provided a context to the development buy outlining the location of the site and surrounding developments. • Council reiterated comments from their submission objecting to the on-site containment of contaminated materials within land to be transferred to Council. • Council raised concerns with asbestos being buried on the site. • The western oxidation pond is to be transferred to Council once remediation is completed. The Commission informed the Council that they would check with the proponent that no contaminated material of this nature would be left on this area of the site. 2. <u>Status of Campbelltown Road</u> • Council advised the Commission that this road is in the ownership of Road and Maritime Services.	
Meeting to be closed at 12.50pm
