I am seeking information about D474/17, "Cultural Events Site, Tweed Valley Way and Jones Road Yelgun, MOD2 Concept Plan and MOD 4 Project Approval".

An announcement on the local radio news this morning stated that a public meeting relating to this project would be held on 29 August, and I am assuming this will be held by the PAC since the proposal has been referred to you.

Where will that meeting be held in Byron Shire? We hope it will be held in the north of the shire, as it was the last time the PAC held hearings on this development. The last meeting was held at the Civic Auditorium in Mullumbimby. Before that, a PAC hearing on this development was held at the Ocean Shores Public School on Shara Blvd, also in the north of the shire. The residents most affected by this development live in the north of the shire, near the Parklands site in Yelgun, and many have difficulty getting into Byron Bay, so please do whatever you can to have the meeting in the north of the shire.

What will be the start time of the meeting?

Can interested parties make submissions to the PAC if they are not able to attend the meeting?

What is the deadline for submissions to the PAC on this development?

Will information about this meeting be given in local papers?

I will appreciate answers to these questions as your earliest convenience, preferably by email. Quite a number of people in my area are very concerned about this development and will be anxious to know more about this PAC hearing.

Denise Nessel
