

**Re: Splendour in the Grass Community Grants Funding**

18<sup>th</sup> August, 2017

Dear Mr Forward,

On behalf of Ocean Shores Public School and Ocean Shores Public School P&C we would like to acknowledge and thank North Byron Parklands for its ongoing support of the Ocean Shores Public School Music program.

We have received \$5000 per year since 2014 through the Splendour in the Grass Community Grants. This money has provided quality music teaching for our students in Kindergarten to Year 2 while assisting teachers to develop their own skills and interests. This funding will continue to play an integral role in provision of quality programs in the performing arts at our school during 2018.

Kind Regards

[REDACTED]

Martin Gill  
Rel. Principal
