Dear Phillipa,

My name is Hendri Tjipto and I'm resident of east tower uni [REDACTED]. I'm writing this email to inform that I'm not comfortable by the idea of bringing back the pool to allow more people there.

I've been living here for 3 years, during the early year I still remember they're really loud literally not only loud they sometime screaming furthermore, the bass from music system really penetrate into my bed room.

I hope this email would give more insight on the impact of this plan and I really appreciate if you could help me to reconsider it.

Feel free to contact me if you have any other question for this following email, appreciate it. Thanks

Regards,
Hendri
