Good Afternoon Pac.NSW.Gov,

My name is Ty Tan and live in a unit in Central Park East Tower directly facing Old Clare Hotel Roof Top Swimming Pool.

A while back, Old Clare Hotel Roof Top was Blasting its **Very Loud music** causing **Noise Pollution and Disturbances** to the Peaceful living for Residences in Central Park. I could hear the **Loud music and felt the Vibration from the music base** even with all my windows closed. This is Surely a Health Hazard and I Object Strongly to Music on Old Clare Hotel Roof Top.

The Noise Pollution from Old Clare hotel Roof Top **includes Patrons Loud Screams** and Music. This will be very damaging to All residences in Central Park East should permission be granted. If Old Clare Hotel is granted permits for Loud Music and Public Patrons on its Roof Top, I will have to sell my units to protect my health although I do not think Old Clare Hotel would care. But this is an illegal coercion action in my opinion.
