

NOTICE OF PLANNING ASSESSMENT COMMISSION MEETING

Rocky Hill Coal Project (SSD 5156), Stratford Extension Project MOD 1 (SSD 4966 MOD 1)

The Department of Planning and Environment (DP&E) has completed its assessment of the above development application. The application has been referred to the Planning Assessment Commission (the Commission) for determination, under the terms of the Minister's delegation.

The Commission to determine the application comprises Ms Lynelle Briggs AO (chair), Mr Andrew Hutton and Mr John Hann.

Due to the level of public interest in the proposal, the Commission will be meeting to hear public views on the DP&E Assessment Report and recommendation, prior to determining the application. This is an opportunity for interested parties to comment on the DP&E's assessment and recommended conditions of approval, before a decision is made.

The Commission meeting is scheduled to commence at **4:00pm on Tuesday, 14 November 2017 at the Gloucester Soldiers Club, 32 Denison Street, Gloucester, NSW 2442**. Should the number of registered speakers make it necessary, additional time will be scheduled on **Wednesday, 15 November 2017**. The meeting is open to the public to observe the proceedings.

If you wish to comment on the DP&E's recommendation at the meeting, you must register to speak, by contacting **Philippa Vale on (02) 9383 2115 before 1:00pm, Friday, 10 November 2017**. The Commission understands that public speaking can be a difficult experience and individual circumstances may also prevent a registered speaker from attending on the day. The Commission therefore welcomes written comments on projects **up to one week after the public meeting**. Written comments will be weighed equally by the Commission to verbal presentations.

The DP&E Assessment Report (including recommendation) is available on the Commission's website www.pac.nsw.gov.au (reference: D489-17 Rocky Hill Coal Project (SSD 5156), Stratford Extension Project MOD 1 (SSD 4966 MOD 1)). Other documents associated with the application are available on the DP&E's website via <http://majorprojects.planning.nsw.gov.au> (reference: SSD-5156 & SSD-4966 MOD 1).
