

Dear Ms Taschner,

Thank you for your letter of 2nd August, 2012, advising me of the Planning Assessment Commission's review of the Coalpac Consolidation Project on 19th September, 2012 at the Lithgow Workmen's Club.

I will be glad to go and to present my views on this most devastating proposal, to the Commission.

Today I will ring Ms. Fernandes to make time, at the meeting to present my views on this project.

yours sincerely,  
(Mrs) Anne Dillon
