

Request to the Planning Assessment Commission

Port Waratah Coal Services Terminal 4

Section 23D(1)(b) of the *Environmental Planning and Assessment Act 1979*
Clauses 268R(1)(a) and 268V of the *Environmental Planning & Assessment Regulation 2000*.

I, the Minister for Planning and Infrastructure, under Section 23D (1)(b) the *Environmental Planning and Assessment Act 1979* (the Act), request the Planning and Assessment Commission to:

1. Carry out a review of the Port Waratah Coal Services Terminal 4 Project (MP10_0125), and
 - a) consider the Environmental Assessment of the project, issues raised in public and agency submissions on the project, and any other information provided during the course of the review;
 - b) assess the merits of the project as a whole, paying particular attention to the potential:
 - noise and air quality impacts of the project;
 - traffic impacts of the project;
 - biodiversity and contamination impacts of the project;
 - any other potentially significant impacts of the project; and
 - c) recommend appropriate measures to avoid, minimise and/or offset these impacts.
2. Conduct public hearings during the carrying out of the review.
3. Submit its final report on the review to me within three months of the receipt of the proponent's response to submissions or preferred project report, unless the Director-General of the Department of Planning and Infrastructure agrees otherwise.

Dear Ms Briggs

I refer to Mr Paul Forward's letter, dated 22 October 2014, requesting an extension to the deadline for the Planning Assessment Commission (PAC) to review the Port Waratah Coal Services Terminal 4 project.

Given the scale, complexity and level of public interest in the project, I agree to extend the deadline for the PAC to complete its review to 30 November 2014.

Should you have any further enquiries, please contact Karen Jones, Director Infrastructure Projects at the Department, on (02) 9228 6150.

Yours sincerely
