Please note

Generally speaking time is 5 minutes for individual and 15 minutes for council or community groups. The meeting is open to the public, and as such not all parties present will speak.

The purpose of this meeting is to hear views on the Department of Planning and Infrastructure's recommendation to approve the proposal subject to conditions, before the Commission makes a decision on the application. The Commission has a copy of all written submissions made to the Department on the proposal in response to its exhibition, so it is not necessary to restate those views.

The Department Assessment Report is available via the following link:
