Subject: Public Hearing for Drayton South

Hi

I'm e-mailing my request to speak at the public hearing for the Drayton South project next month.

I wish to speak for the development based on the following points

- Drayton South continuing the employment of the hundreds of employees at Drayton for another 20-30years
- Drayton (and Drayton South's) continuing involvement in supporting the community
- My 30 years' experience working with Drayton and the skills and life lessons it has given me

Please call me on [REDACTED] if any further information is required

Thanks

Adrian Barwick
