Hi

As per my earlier registration on behalf of my Chairman, Mr Noel Leckie, the Scone Race Club would like to speak briefly to the PAC public hearing in Denman in relation to the Anglo/Drayton South Coal mine proposal.

My chairman is travelling overseas and requested I register him to speak. You have subsequently asked me to make a submission on what my Chairman is going to speak about. I am not in a position to provide his written speech by Friday noon.

Therefore in brief, please find the following general outline that the Chairman has indicated he would likely briefly speak to and he also noted the Terms of Reference.

- The Race Club's development - the health, strength and growth of club is interdependent on the success and health of the studs
- Coolmore and Darley's significance to Scone Race Club's operation
- Local and International Investment certainty in the thoroughbred breeding and racing industry
- Achievement of the Club's national recognition and tourism

Kind Regards

Sarah Wills
Chief Executive Officer
