Dear Sir/Madam,

RE: Objection to the Proposed Stratford Extension Project

I am writing to support the people of Stratford Township and surrounding areas in requesting that Stratford Coal mine is NOT given approval for their proposed Extension Project.

Stratford Coal mine should NOT be given approval to operate 24 hours a day.

Stratford Coal mine should NOT be given approval to come as close as 1km or closer to Stratford Township.

I agree that another public hearing needs to be held in Stratford Township hall. Considering the people of Stratford are already being impacted by Stratford Coal and will be impacted further should this modification be approved from PAC.

Yours faithfully

KEM HOLLOWAY
