Subject: Moorebank Intermodal
Date: Thursday, 4 February 2016 5:32:42 PM

I live in East Hills and travel to work on the M5 most days of the week. Traffic is already very busy particularly going into the city in the mornings and leaving at night. Often traffic is travelling very slowly as early as 5.45 a.m. An intermodal at Moorebank would only make this situation worse. For this reason I request that you refuse development approval.

Kind Regards

Chris Brogan
