**Subject:** Referral for Determination

Dear Mr Mills

The Department of Planning, Housing and Infrastructure (the Department) has completed its assessment of Moss Vale Plastics Recycling Facility (SSD-9409987).

In accordance with section 2.7(1)(a)-(c) of *State Environmental Planning Policy (Planning Systems) 2021*, the Independent Planning Commission is the declared consent authority for this development application as the Department received more than 50 public submissions objecting to the development and Wingecarribee Shire Council objected to the development.

Based on its assessment, the Department believes that the project is approvable, subject to the recommended conditions of consent.

I have attached a copy of the Department's assessment report, recommended instrument of consent and other relevant documents for the Commission's consideration.

Further information about the project can be found on the NSW planning portal:
