Location: <i>New South Wales 2579</i>	
Attachment: N/A	

Submission date: 10/23/2024 7:30:33 PM

Not the right location.

Too close to people, schools, businesses.

Why there? Find another location that will not impact on people. The research on micro plastics is only now showing negative findings. Why would we gamble on this location - near catchments, rural land and houses. This sort of factory would not be found in Sydney suburbia why do we have to have it on our doorstep? Yes to recycling of plastic BUT NO to this location.
