Location: Queensland 4670	
Attachment: N/A	

Submission date: 11/14/2024 8:16:04 PM

Families health and way of life are at stake. Because of the quality of air they will produce, they think it will be acceptable to limit your families time out doors!

Why do you think families want to live in the country-to enjoy the clean air and beautiful countryside. Please stop this madness.
