*As a land owner who will be directly impacted by the proposed solar farm, I strongly object to the Muscle Creek Rd site. Muscle Creek runs through the township of Muswellbrook, which poses significant risk to our waterways not only through town but on to prime agricultural land.*

*The visual impact on us directly will be extreme, as well as the loss of value in our property itself. Residents of Woodland Ridge purchased their homes in this area for the quiet and peaceful lifestyle, not to have added bush fire risk, hideous outlooks and loss of hard earned funds within land/home values.*

*This site is not suitable, and it seems ridiculous that the old Liddel site not be utilised for such a project.*
