PUBLIC MEETING NOTICE

We encourage you to participate

White Rock Wind Farm MOD 6

We are holding a public meeting to listen carefully to the community's views and encourage you to have your say!

The NSW Department of Planning, Industry and Environment has now completed its evaluation of the White Rock Wind Farm MOD 6 and referred it to us - the Independent Planning Commission NSW - for determination.

The three-member Panel appointed by Chair of the Commission, Professor Mary O'Kane AC, to determine this state significant development application comprises Mr Peter Cochrane (Panel Chair), Mr Adrian Pilton and Ms Wendy Lewin.

Because there's been so much interest in this proposal, we're holding a public meeting to listen carefully to the community's views. This is your last chance to comment on the Department's assessment report before our independent experts make a final decision.

The meeting will be held at the **Glen Innes Town Hall, 265 Grey Street, Glen Innes NSW 2370** at **9:30am on Friday 11 October 2019** to hear from as many people as possible.

If you wish to apply to speak at the public meeting, you must complete an expression of interest form and return it via email to ipcn@ipcn.nsw.gov.au so that it is received by no later than **5 pm on Tuesday 8 October 2019**.

And if you can't make it or just don't like public speaking, that's not a problem! You can submit a written comment up to one week after the meeting. Written comments are weighed the same as spoken presentations.

This public meeting will be recorded, and a written transcript published on our website.

Speakers are encouraged to familiarise themselves with the Commission's '*Public Meeting Guidelines*' prior to presenting to the Panel.
