A typical weekday in Paterson

Image taken at 11.36am Thursday 10 November 2022

This group of motorcyclists had ridden to Paterson and were enjoying a coffee on the verandah of the Paterson Country Café which is less than 3 metres from the proposed haul route. The draft conditions of consent assume there is no tourism or business activity in Paterson during the week.

It is busy seven days per week.

The draft conditions of consent do not address the impact on the amenity of the village of Paterson.

The quarry products ought to be carried by rail.
