Dear Mike,

**RE: Development Application 6686 – Bango Wind Farm**

I wish to propose a further amendment to the Development Application for the Bango Wind Farm, as submitted on 10<sup>th</sup> May 2017. The application now seeks the approval of the layout labelled as Planning Layout 1, containing up to 75 wind turbine generators. As such, any reference to Planning Layout 2 may be disregarded.

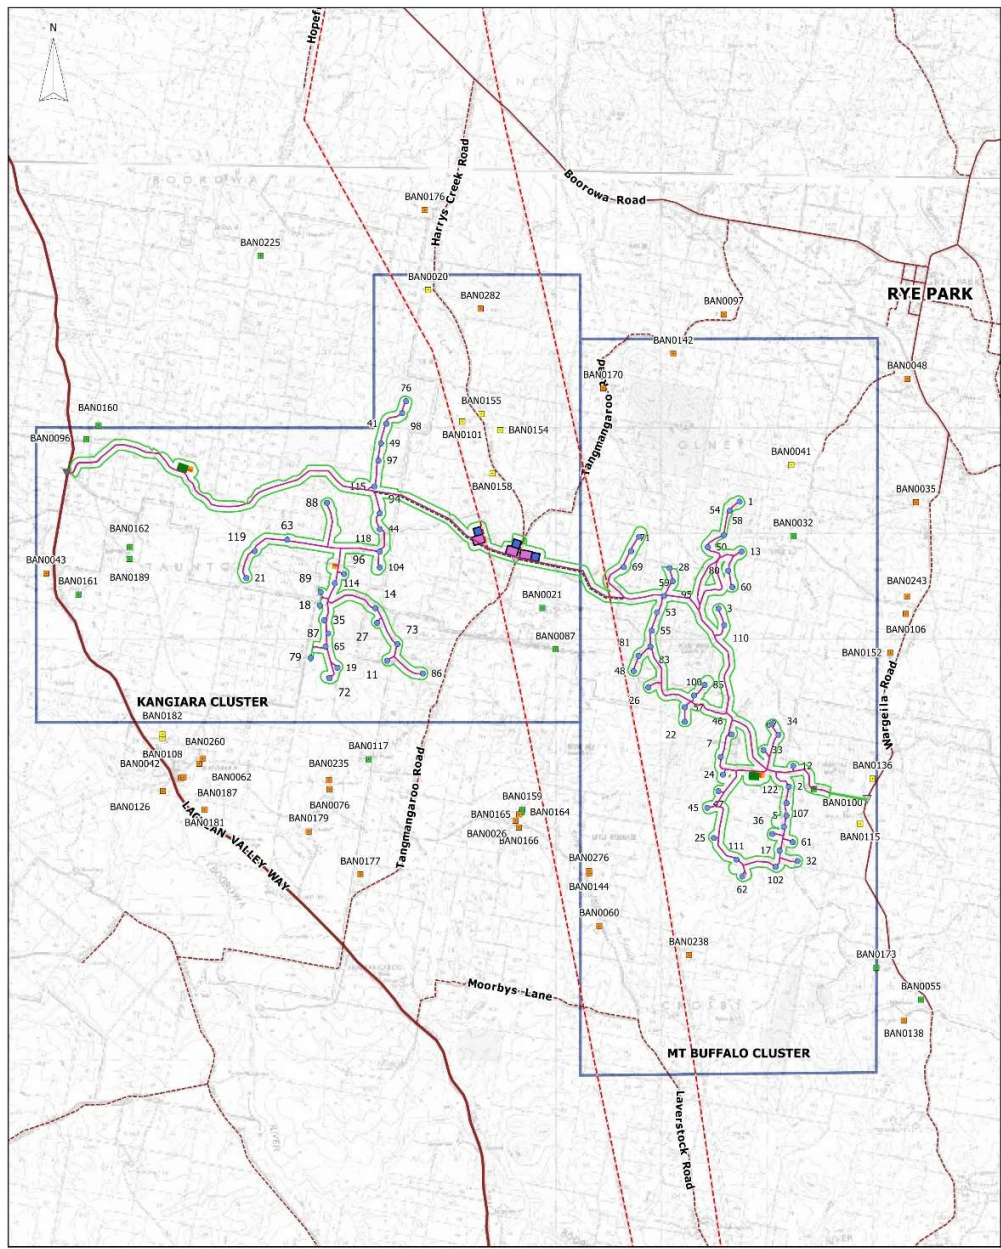

For clarity, I have attached a map and table of coordinates for Planning Layout 1.

Sincerely,
