Dear Mr Phillips

**CABBAGE TREE ROAD SAND QUARRY, 398 CABBAGE TREE ROAD,
WILLIAMTOWN (SSD-6125).**

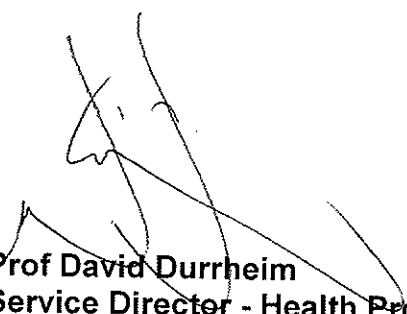

I refer to the Secretary's Draft Conditions of Consent exhibited on the NSW Department of Planning & Environment (DPE) website in relation to the proposed Sand Quarry at 398 Cabbage Tree Road, Williamtown.

Hunter New England Population Health has reviewed the draft documents and is satisfied that the requirements imposed for noise, water, waste and community consultation will provide suitable monitoring and mitigate impacts that may arise in these domains.

Regarding the potential for airborne dust impacts, especially as this development is within the PFAS impacted area in the proximity of the RAAF Williamtown base, DPE may consider referring the proposal/draft conditions to the NSW Government PFAS Advisory Committee for their review.

If you require any further information, please contact Chris Williams, Environmental Health Officer on 4924 6477

Yours sincerely
