Dear Ms O'Kane

**Ministerial Call-in Request
Viva Clyde Western Area Remediation Project (MCI 8823)**

The Department of Planning and Environment has received a Ministerial call-in request from Viva Energy Australia Pty Ltd (Viva), for the Western Area Remediation Project to be called in as State significant development (SSD) under Section 89C(3) of the *Environmental Planning and Assessment Act 1979* (EP&A Act).

As you are aware, Section 89C(3) provides that the Minister may declare development SSD, but only if the Minister has obtained and made publicly available advice from the Planning Assessment Commission about the State or regional planning significance of the development.

Viva's call-in request, a submission from the City of Parramatta Council and the Department's report are attached for your consideration.

Should you have any further questions about this matter, I have arranged for Mr Chris Ritchie, Director, Industry Assessments to assist you. Mr Chris Ritchie can be contacted on telephone number 9274 6413.

Yours sincerely
