MEETING NOTICE

Woolooware Bay Town Centre Concept Plan Modification Request (MP 10_0229 MOD 2) and Project Approval Modification Request (MP 10_0230 MOD 6)

Hello,
We want to hear from you!

The Department of Planning and Environment has finished its evaluation of this proposal, and referred it to us – the Independent Planning Commission NSW – for a final decision.

Because so many people are interested in this proposal, we'll be meeting to hear your views on the assessment report. This is your moment to comment on the Department's assessment before our independent experts make the final decision.

The meeting will be held at the **Event House Cronulla, 20-26 Kingsway Cronulla NSW 2230**, on **Monday 9th April 2018**, at **2:00pm**.

If you'd like a chance to voice your thoughts, get in touch with **Aaron Brown on (02) 9383 2112** before **1:00pm, Thursday 5th April 2018**, and register to speak at the public meeting.

Because we know public speaking can be hard, and not everyone can always be there, we also accept written feedback up to one week after the meeting. These comments are weighed the same as spoken presentations.

The Commission to decide the application is made up of Mr Peter Duncan AM (chair), Dr Maurice Evans and Mr Paul Forward.

You can also find the assessment report and recommendation on our website: www.ipcn.nsw.gov.au under D504/18 Woolooware Bay Town Centre Concept Plan Modification Request (MP 10_0229 MOD 2) and Project Approval Modification Request (MP 10_0230 MOD 6). Other related documents are accessible at www.majorprojects.planning.nsw.gov.au under (reference 10_0229).

What you think matters. Please let us know how we can make things better.
