

② Kenny Coomes

Photo Attachments

1. Existing view in real life
2. Montage showing real impacts
3. Existing view looking north west showing real impact of buildings
4. Montage of building to be completed on western side of the oval
5. Nighttime view that we see from our balcony taken from Woollooware Bay advertisement
6. The proponents montage. Have the building heights been changed or is this the original montage used showing only 8 storeys.
