Online registration submission:

- This proposal will damage the compromised health of all Sydneysiders & the environment
- It is located within 800m of the nearest residences. Studies have proven toxic emissions especially nitrous oxide to be highly concentrated within 5kms of incinerators. This radius is called the "sacrifice zone"
- This is a move away from a circular economy
- It's a social injustice

A. PLEASE NOMINATE YOUR INTEREST IN THE PROJECT:
A1. I have a direct interest in the proposed development: YES / NO

If your answer is "NO", please proceed to question A2.
If your answer is "YES", please answer the following:

I would like to speak at the Public Meeting as (PLEASE TICK):

- the Applicant (or a representative)
- a representative of the Department of Planning and Environment or another NSW Government Agency
- a representative of the Local Council
- an owner or a tenant of a neighboring property to the proposed development
- any person whose consent is required for the application to proceed
- a local resident who will be particularly affected by the proposed development

(If so, please set out the way in which you are particularly affected)
My family lives just over 2kms away. I have an asthmatic son who is on a preventer every single day. The toxic emissions will affect me, my family (my mother is 1km away & my brother and his young family is 2kms away). It is a social injustice cannot be accepted.

OTHER – please specify The additional thousands of trucks travelling here and emitting dioxins also concern me.
