**Subject: The Next Generation (NSW) Pty Ltd v Independent Planning Commission  
Land and Environment Court Proceedings No 2019/13009 – Amended Application**

This update provides details of the public exhibition of the amended application for the Energy from Waste Facility at Eastern Creek (**Amended Application**).

The Court has allowed the Applicant to amend its application and determined that the Amended Application be publicly exhibited on the Department's NSW Major Projects Planning Portal.

### **Exhibition of amended application**

The Amended Application and accompanying documents will be on public exhibition from **Wednesday 13 April 2022** until **Tuesday 14 June 2022**. The Amended Application may be viewed on the Department's website at:

<https://www.planningportal.nsw.gov.au/major-projects/projects/eastern-creek-energy-waste-facility>

If you wish to make a submission on the Amended Application, it must reach the Department by **Tuesday 14 June 2022**.

### **Updates online in future**

All future updates and further information about the appeal will continue to be placed on the Independent Planning Commission (IPC) website at:

<https://www.ipcn.nsw.gov.au/projects/2018/04/eastern-creek-energy-from-waste-facility-ssd-6236>

If you are unable to access the IPC website or require any further information, please email us at [legalservices@planning.nsw.gov.au](mailto:legalservices@planning.nsw.gov.au)

Yours sincerely
