Good afternoon,

I wish to comment in support of the continuation of mining at Rixs' Creek Mine.

Kings Engineering and Four Mile Engineering, for which I am employed as a WHS Advisor, are a part of the Bloomfield Group. I take great pride in working for a locally owned company who themselves are so avid in supporting locally owned businesses. The Bloomfield Group also support and sponsor a wide range of local sporting and charitable bodies as well.

Both Kings and Four Mile do a lot of work for Rixs and it would have a huge detrimental effect on our businesses to lose that work.

Kind regards,  
Jenny Walsh.

WHS Advisor
