**RE: DA17/1092 - 13 - 15 Park Road WALLACIA NSW 2745**

I am submitting this submission in reference to DA17/1092.

Many Reasons include:

- \* Traffic & Safety to the roads
- \* Flooding in the area from the creeks and the river
- \* Contamination of the water ways, nepean river
- \* Pollution/Smell from the crematorium

I have lived here for over 18 years, the Wallacia Golf Club is the only recreation hub for community and we don't want this to be taken away. We don't want the Cemetery in our small town.

We object to this going ahead.
