Writing in relation to the DA proposal we have received in the mail today 21/11/2017.

DA 17/1092- Lot 2 DP 1108408 & Lot 512 DP 1079728- Wallacia Golf Course.

We would like to forward on our decision of saying no to the proposal.

Our reasons are simply that the Wallacia Golf Course is an icon of Wallacia- it has been here forever and for that reason we would like it to stay. People travel far and wide to play on the course, it needs to stay as it is.
