Dear Sirs,

Please see attached correspondence.

Dear Sirs,

RE: DA17/1092 - Lot 2 DP 1108408 and Lot 512 DP 1079728,
PPTY: Wallacia Golf Course Site, 13-15 Park Road, Wallacia NSW 2745

Needless to say, we are concerned about the construction of a cemetery 

Obviously Council will consider this proposal in the light of proper planning principles and the interests of the neighbours as well as the broader community.

Obviously, nobody wants a cemetery in their area.

Being mindful of this general observation, we trust that the Council also considers the interest of neighbours and considers the zoning potential of adjoining sites so that they are not left undevelopable for a use which means that the land is of no value or viability.

One would have hoped the Council would have dealt with this application concurrently with reviewing its planning scheme and considered the need for amendments to the LEP and input from the State Government and the public.

Our land would be perfect for residential development and accordingly should be zoned so at the same time as any change of use allowed for Wallacia golf course to become a cemetery.
