RE: DA17/1092 - 13 - 15 Park Road WALLACIA NSW 2745

NO CEMETERY AT WALLACIA!!!

To have a cemetery right in the heart of the township is ridiculous! If I wanted to live near a cemetery, I would've bought a house near one! This will impact our lives as locals with the increase in traffic coming and going from our quite village. Its a ridiculous proposition and I'm sure its corrupt as hell with all the hush hush back door deals that have gone on in the Catholic Church purchasing this land!!!

There is plenty of land up Greendale Road towards Bringelly that would be more suitable for this. Putting a cemetery right in the heart of our beautiful heritage township is ludicrous!!!
