To whom it may concern,

[REDACTED] strongly am against and do not want a cemetery built in wallacia on park road. I believe it does not need to be on a main road and as a mother I believe it is not appropriate so close to a school [REDACTED]
[REDACTED] It is not a appropriate place for a cemetery There are many young families that live in wallacia. Please find a more appropriate place for your project. Application no. DA17/1092.
