I submit my objection to a cemetery as a longtime resident who moved from the city 40years ago to get away from the hustle and bustle of city life to rear my family in a semi rural area which is peaceful and abundant with wildlife. I will be overlooking this proposed development and strongly object to having to look at grieving people and extra traffic instead of a lovely golf course. My property which runs off Park Rd already floods in times of torrential rain and I am deeply concerned . If this development is approved I will have to sell my beautiful home and relocate due to my lovely lifestyle being threatened.

Yours truly

Mrs Heather Davies
