Sir/Madam, I would like to register my strong disapproval of this proposal to turn our Golf Course in to a Cemetery. This land was gifted to the community in perpetuity as a golf course, how it came to be sold is a mystery to me. This Golf Course is the only Sporting facility that we have in Wallacia, & it is being proposed to take that away from the community. I understand that two other Cemeteries have been approved in Neighboring Greendale. Why the need to put a Cemetery right in the village of Wallacia. I think it is an affront to this Community that you are even considering this. Wallacia Golf Course should remain as a Golf Course as our Older residents intended.
