Dear Dr Tong AM

West Culburra Concept Proposal

Thank you for your letter dated 21 September 2018. The Chair, Mary O'Kane has asked me to respond on her behalf.

The Independent Planning Commission notes that the Halloran Trust has requested the opportunity to address the Commission in relation to the UNSW Water Research Laboratory's (WRL) Independent Report on the West Culburra Concept Proposal.

The Commission is currently reviewing the latest responses provided by John Toon on 24 September 2018 in relation to the UNSW WRL Independent Report. Whilst at this stage the Commission does not consider there to be a need for a meeting we will contact you should our position change on completion of the review of the latest responses. Should you have any further queries, please contact David Koppers, Team Leader on 9383 2100.

Yours faithfully

David McNamara
Director
Independent Planning Commission
