

This meeting is part of determination process.

Meeting note taken by: David Way

Date: 1 August 2018

Time: 10:30

Project: Ashton Coal Mine – South East Open Cut MOD 1 (MP 08_0182 MOD1)

Meeting Place: IPC Offices, 201 Elizabeth Street, Sydney

Attendees:

IPCN Members:

Mr Alan Coutts (Chair), Mr Peter Cochrane and Professor Zada Lipman

IPCN Secretariat:

Mr David Way (Senior Planner)

Ashton Coal Pty Limited (the proponent)

Mr Mark Jacobs (General Manager - Environment & Community) and Mr Michael Moore (Manager - Environmental Standards)

Meeting Purpose: For the proponent to meet with the Commission to discuss the proposed modification of the Ashton South East Open Cut MOD 1.

Matters Discussed (as set out in the provided PowerPoint presentation):

1. Introductions
2. The proponent provided an overview and history of the Ashton Coal Project, including the relationship of the operating mine infrastructure to the Ashton South East Open Cut.
3. The proponent discussed their justification and the legal principles of the requested modification, as set out in the advice provided by Minter Ellison and included as part of their modification application and Response to Submissions.
4. The proponent stated their agreement with the Department of Planning and Environment's Assessment report.
5. Meeting Close

Documents: *Ashton SEOC Project – Presentation to the Independent Planning Commissions 1 August 2018* (published on the Commission's website)

Outcomes/Agreed Actions: The proponent to forward a copy of the PowerPoint presentation to the Commission for publication

Meeting closed at: 11:30
