Objection to Long Bow Point Golf Course SSD 8406

I am a resident of Culburra Beach and I support the IPC decision to reject the Long Bow Point Golf Course proposal.

I do not believe that a new golf course in Culburra Beach is needed or wanted by the local community. Nor do I believe, as proposed by the developer, that this project is capable of creating long term employment opportunities.

Reasons to reject the proposal due to concerns around the environmental protection of Lake Wollumboola, it's water catchment and the protection of the wildlife it supports are many and complex. The inability of the developers to satisfy requirements around these concerns demonstrates a lack of respect for the Lake environment and the local people, indigenous and non indigenous, who do care greatly about maintaining this world heritage listed local asset.

Yours Sincerely

Kae Sullivan
