Dear ipcn

In reference to Long Bow golf course.

I personally submit :

1. I support the views and rights of Indigenous community.
2. I support the ipc's report for preserving the Lake.
3. I also support a development of a international standard golf course with a club/ restraurant for the area of Culburra in another location.

4. I ask that all parties assist each other to come up with a perfect answer to bring prosperity into our area while keeping the area safe.

I have been a part time and full time resident for 52years and up to now any changes in development in our community have been all positive .

Many thanks
