---

Hi David,

I note on the IPC website a submission received from a resident of Casuarina identifying several matters with the proposal. With specific reference to building height, I note the submission notes the creation of a precedent for 4 storey buildings. In this regard, I draw the Commissions attention to the attached plans which Tweed Shire Council have approved (DA15/0776) for a four storey building at Cylinders Drive which is north of the Town Centre. Construction works have commenced and pre-sales achieved.

Regards,

**Damian Chapelle**

*Principal Town Planner*
