Dear Ann-Marie

Council Position on Planning Proposal for 55 Aird Street Parramatta

I refer to Council's email of 24 April 2018 regarding the above matter and our telephone conversation of earlier today.

I advise that the resolution of 9 April 2018 (Copy attached) remains Council's current position on this matter and there have not been any rescission motions or other resolutions of Council in relation to this Planning Proposal.

Therefore, as indicated in the resolution Council wishes to withdraw the Planning Proposal as it no longer wishes to pursue the site Specific Planning Proposal for 55 Aird Street Parramatta previously forwarded to your Department

Should you require any additional information on the matter please contact me the number detailed above.

Yours sincerely

Robert Cologna
Acting Manager Land Use Planning
