Subject: Re: Delivery Status Notification (Failure)

Dear Commissioner ,

I object to the Bylong Coal Project .

I have no pecuniary interest , either way in the project . In the 70s I owned and ran the property “
Rothesay “ in the Bylong Valley . I together with my fellow Farmers held the view that we had a
moral obligation to leave the land in a better state than when we first moved there for the future
generations.

This project is a complete disaster which will leave the valley a wasteland .

Yours sincerely ,

Christos Varvaressos
