Subject: Fwd: Bylong Coal project Objection
Date: Tuesday, 13 November 2018 6:18:39 AM

Dear Commissioner,

I object to the Bylong Coal project going ahead.

The Bylong Valley is made up of prime land, with great agricultural and environmental significance. This is just one reason why I object to the project (Australia's commitment to limit global temperature increase to 1.5 degrees by reducing our dependence on fossil fuels and reducing coal burning is one of the many other reasons).

Please do not let it be destroyed by mining.

Thank you,
Scott Binks
