Greg, I have spoken to Graeme and advise that we have no objection to the removal of the splay bridge from the project proposal. All we need is formal confirmation from the applicant so we can close the matter.

Dear Jim

RE: Pemulwuy Project DA Approval MP11-0093

Following on from your recent emails with our Project Manager Greg Colbran, from Deicorp, notably your email of Thursday 3 May 2018.

The Aboriginal Housing Company wish to confirm that moving forward with the construction of the Pemulwuy Project, we will not be constructing the splayed bridge over Sydney Trains land (corner of Eveleigh and Lawson Streets, Redfern) as indicated in the above-mentioned approval.

Many thanks.

Yours sincerely

Michael Mundine Snr.
