Hi Matthew

I have attached the information that was sent to the JRPP. I have also attached further information sent to the Panel for consideration on 26 May 2016.

In terms of the West Oxford Street Precinct Study – this was done in conjunction with the Government Architects Office.

Good morning Amanda,

Further to the Commission's meeting with the Department on Friday, I would be grateful if you could provide me with the following information as soon as possible:

- Were there any supporting reports considered by the JRPP in their decision dated 31 May 2016, which I have attached to this email?
- Did the Department have any role in the West Oxford Street Precinct study that was undertaken by Council in 2014?

Regards,

Matthew
