Hi Alana,

In regard to the status of the *Draft Floodplain Management Plan for the Upper Namoi Valley Floodplain 2016*, the Department understands that the Plan will be finalised at the latest by June 2019.

The Plan was exhibited from 19 September 2016 to 28 October 2016, with late submissions accepted until 6 January 2017. An Interagency Regional Panel is currently considering the submissions received during the exhibition period and preparing the Plan for commencement.

More information on the Plan and the Healthy Floodplains Project is available on the Department of Industry's website at:

Feel free to contact me if you have any further questions.

Best Regards,

Diana Mitchell
