Subject: Channel 9 Development Modification
Date: Monday, 3 December 2018 8:43:12 AM

Hi

I'm writing to voice my concern as a Willoughby resident in regards to the increase in dwellings on the Channel 9 site. The modification and increase is not suitable and given the traffic impact density and location I'm opposed to this being increased.

My name is Scott Menck and I currently live on [REDACTED] in Willoughby.

Thanks
Scott
