Dear Professor O’Kane

RE: United Wambo Open Cut Coal Mine Project – Conflict of Interest Declaration

Subsequent to my email of 16 December 2018, accepting nomination to form part of the Commission considering the United Wambo Open Cut Coal Mine Project application, I have this afternoon been made aware of a possible conflict pertaining to my role on the Commission.

My spouse informed me this afternoon that he holds a number of options in Glencore PLC (the applicant). Having been made aware of this I wish to avoid any real or perceived conflict and respectfully withdraw from participation on the Commission considering this application.

Yours sincerely
