

United Wambo Open Cut Coal Mine Project (SSD 7142) & associated modifications (MOD3 & MOD 16)

New Public Meeting Date: Thursday 7 February 2019

The Independent Planning Commission NSW is meeting in Singleton to listen to the community's views on the United Wambo Open Cut Coal Mine Project (SSD 7142) and associated modifications (DA 305-7-2003 MOD 16 & DA 177-8-2004 MOD 3).

The Department of Planning & Environment has completed its merit assessment and referred it to the Commission for determination. The three Commissioners appointed to consider this case are Mr Tony Pearson (Panel Chair), Ms Robyn Kruk AO and Dr Peter Williams.

The public meeting will be held at Singleton Civic Centre, Auditorium, Cnr Queen St & Civic Ave, Singleton, NSW 2330 from 10am on Thursday 7 February 2019. This follows the postponement of a public meeting originally scheduled for December 2018.

Those who were registered to present to the Panel in December 2018 will be contacted by the Commission to confirm that they still wish to speak and are available to do so on the new date.

Anyone else who wishes to apply to speak at the public meeting must complete an expression of interest form and return it via email to ipcn@ipcn.nsw.gov.au so that it's received no later than **5pm AEDT on Thursday 31 January 2019**.

And if you can't make it or just don't like public speaking, that's not a problem! You can provide written comments on the project up to **5pm AEDT on Thursday 14 February 2019** by:
